Ah From an administrative point of view it is desirable that medical Offices Should receive Some remuneration for the Extra work thrown on them as Lockup Offices. The addition to their work is not inappreciable, as it involves regular daily attendance. The work is also one of Some responsibility. Extra allowances are given in Madras for charge of District Jails and we may

follows their Example.

11 It has to be pointed out however, that if the proposal be launched, Sub Assistant Surgeons in charge of Lockups may also come up with a similar request, which Government may find hard to refuse. Sub Registrars too may ask for the same but they can be refused, as the idea is that they have not got enough work. The District medical officer of Shimoga is in receipt of a monthly allowance of Rs 30/-, which was awarded to him purely on account of his Lockup duties (Please see file no 9-03-04 put up). The D.G. of prisons now recommends an additional Sum of Rs 30/-, also towards Lockup duty. The Statement contained in his letter of 2nd April 09, that the former is not on account of Lockup duties does not appear to be correct. It is a question for the consideration of Govt whether both the allowances should be launched to the Shimoga Officer

Sir,

I have the honor to forward copy of letter No.47 dated 23r February 1909 from the District Medical & Sanitary Officer, Kadur District, in which he requests that an allowance be gran ed to him for his duties as Lock-up Officer.

2. I cordially support his application and recommend that the 5 other District Medical and Sanitary Officers, viz, of Kolar, Tumkur, Hassan, Shimoga and Chittaldrug Districts who perform similar duties be also granted an allowance.

3. It seems to me quite inexplicable that officers who are er tertained for medical purposes in the State should have Jail duties imposed on them without any extra remuneration. They might just as well be asked to take charge say of road making in their Districts without extra pay.

4. As to the amount of remuneration, I would suggest Rs.30/-

Letter No.47 dated 23rd February 1909 from the District
ock-up Officer, Chikmagalur, to the Inspector General of Prison
n Mysore, received with O.M. No. 1162 dated 24-2-09 of Dist.
lagistrate. Kadur.

I have the honor to lay the following facts before you for
kind consideration.

The District Lock-up, Chikmagalur, was, until a few years ag
nder the duel charge of the District Medical Officer and Mun-
siff, the former attending only to professional duties and the
atter to the general administration; but the duties of both
ave since been merged into one and the District Medical Officer
as been made the sole officer in charge of the District Lock-up
e is in fact a wholetime Superintendent of the Lock-up. The
greater portion of the duty involved is beyond the professional
luties of the Medical Officer, with great deal of responsibility
I get no remuneration for this extra work imposed on me.

As you kindly observed during the late inspection of the
Lock-up that I should be shown some consideration at the hands
of the Government, I request that you will kindly recommend me
for some charge allowance that you think proper and commensurate
with the extra and responsible work thrown on me.
